MODULES

Please see approved Course Specification Template (CSTs) on e:Vision for module diets on courses named above.

DATE OF THE NEXT REVIEW

The next review of the provision listed above is scheduled to take place by the end of the 2027-2028 academic year.

EXEMPTIONS TO THE ACADEMIC REGULATIONS

Section 1.2.7- Courses will be approved, through the Course Approval process, to be delivered in one or more of the following Modes of Study:

- Full time – consisting of 120 credits per academic year,
- Accelerated Full Time – consisting of 180 in a 12-month period.
- Part time – consisting of up to 80 credits per academic year

For students commencing studies at level 4 in January 2024 only, an accelerated registration period will be necessary due to the second semester overlapping with the 24/25 academic year. A calendar will be provided for these students confirming the delivery of their course/s.

Approved AFRSC 15/12/23

COLLABORATIVE

This section should be completed in line with the [University's collaborative framework](#) and summarise the arrangements confirmed during approval.

Franchised Agreement – An arrangement whereby the UoW authorises and approves a partner organisation to deliver and assess part or all one or more of the university's own programmes. UoW will hold direct responsibility for quality assurance, curriculum content, and the teaching and assessment strategy. Students normally have a direct contractual relationship with UoW

TRANSITIONAL ARRANGEMENTS & CONSULTATION / COMMUNICATION WITH STUDENTS OR APPLICANTS**NONE.**

Please note the following actions which will be for ongoing monitoring:

Responsibility	Action	Date	Action to be closed through
Course Lead/HOD	EE to be allocated to TNE provision	29 January 2024	Closed through FSE FSEC
